Essentially I'M a picture printed on paper,
yet remarkably I'M the face of your product.
I'M the colour, the movement, the style that
creates an emotional connection.

Fundamentally I'M essential therefore
I'M your basic requirement.

I'M
ESSENTIAL

FOR RUSSIA.

DECORS BY IMPRESS. MADE TO IMPRESS.

A photograph of a young man with dark hair and a warm smile, holding an acoustic guitar. He is wearing a dark t-shirt and is positioned on a sandy beach with ocean waves in the foreground and a hilly landscape under a blue sky in the background.

SANTANA OAK

I'm Santana Oak. Разнообразные планки и типичные особенности дуба составляют основу структуры. Неповторимый дух античности придает декору особый характер, в котором прослеживается тема aged and raw.

I'm Santana Oak. I'm a typical Oak. Diverse planks and a lot of typical oak characteristics build the basic structure. The attractive antique finish lends this decor its particular character. Picking up on the themes of age and rawness, this structure tells stories.

I'M LUXURIOUS!

I'M CHESTNUT EBRO

CHESTNUT EBRO

50151 | 1379520001

I'm Chestnut Ebro. Благородная элегантность и спокойная, ненавязчивая структура делают декор универсальным. Строгие планки, полосатая поверхность и превосходная игра шоколадно-коричневых оттенков создают поистине незабываемую атмосферу.

I'm Chestnut Ebro. Generous elegance and gentle understatement turn the decor into an extremely versatile structure. Strong planks and divers streaky areas, as well as a particularly beautiful colour play create a pleasant ambience.

A close-up photograph of a woman with long, wavy blonde hair. She is smiling broadly, showing her teeth, and looking directly at the camera. She is wearing a light-colored, possibly white, sleeveless top. A delicate necklace with small pearls hangs around her neck. In her left hand, she holds a bunch of vibrant purple flowers with green stems and leaves. The background is a soft-focus field of similar purple flowers, suggesting a natural, outdoor setting.

I'M ATTRACTIVE!

BODEGA WHITE

39047 | 2036381

I'm Bodega. I'm почти осязаемая трехмерная поверхность. Элегантные полосы сосновой древесины создают иллюзорное восприятие декора как классической структуры, но в то же время детали рисунка раскрывают всю глубину, придают некую пикантность. Также наряду с богатой цветовой палитрой идеально сочетаются известково-белые поры и перламутровый блеск.

I'm Bodega. I'm convincing with an almost tangible three-dimensionality. The brushed pine surface seems at first to be classically striped, then the vast structural richness of the detail wins you over. Bodega offers many different colouration possibilities ranging from lime pores to pearlescent effects.

A woman with dark hair is lying on a brown corduroy sofa, looking up and smiling. She is wearing a blue polka-dot pajama top and white lace-trimmed pajama bottoms. A white cup of tea sits on a saucer on a wooden table next to her.

Yet my structure is precise and charming.

I'm Anchor Ash. Изысканный ясень со спокойной структурой и одновременно с захватывающей игрой оттенков прекрасно вписывается в актуальный тренд. Белые поры соответствуют стилю Nordic и гармонично сочетаются с элегантными срезами цветков и полосатой структурой декора.

I'm Anchor Ash. I'm the perfect addition to the trend theme of the Nordic, light wood and Off-white. My planking is hardly visible and my appearance harmonic and delicate.

I'm Madura Oak. I'm natural and unique. The decoration harmoniously combines the natural, clearly expressed structure of the wood with many knots and irregularities on the surface, with soft color transitions.

I'm Madura Oak. I'm natural. Distinctive planks merge through their soft colour gradients and hence create a moving, yet harmonious entirety. Fine cracks, discrete medullary rays and small, nicely molded knots enliven the detail.

роскошь.

I'm Tortona Oak. I'm a real thermo wood beauty - precious colour gradients and exclusive shapes move softly and harmonically on the surface. Gracefully glowing lines appear and disappear in a soft movement. The black pore bestows a velvety depth and appears mysteriously luxurious.

TAXONIA

I'm Taxonia. I'm благородная древесина с медовым оттенком, который придает декору особую аристократичность и может поведать истории о покрытии воском и полировке, накопленные в течение столетий. Тонкие, очень четкие трещинки усиливают эффект старой благородной патины. Выцветшие со временем фрагменты и сучки являются природным акцентом.

I'm Taxonia. I'm telling tales of polishing and waxing with my honey shade shimmer. The fine, precisely developed cracks support the precious, old patina of my surface.

I'M UNCOMMEN!

I'm Jarrah. I'm элегантная и экзотическая современная интерпретация тропической древесины. Авангардная глубина и натуральные оттенки делают декор неординарным.

I'm Aladin. I'm worn and eroded, yet harmonious and elegant.
I'm like an old oriental carpet, classically grand and modern at the same time.

I'm Savanna. Аутентичность материала является одной из самых важных составляющих в эпоху виртуальной реальности. Имитация натуральной древесины оживляет структуру и создает атмосферу защищенности.

I'm Savanna. Authenticity of material is especially important in these virtual-generated times. Just like the natural material, my structure appears to be alive and creates an atmosphere of security.
